

## REMARKS

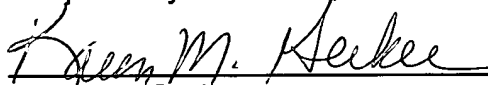

This communication is submitted in response to the Advisory Action dated July 24, 2006.

Claims 2, 4, 8, 9, 12-14, 16 and 18 are pending in the subject application and were indicated in the Advisory Action as being allowable. Claims 4, 14 and 16 have been amended to correct minor typographical errors. Claims 1, 3, 5, 6, 7, 10, 11, 15 and 17 have been canceled herewith, and claims 19-31 were previously canceled.

It was indicated by the Examiner in the Advisory Action that claims 2, 4, 8, 9, 12-14, 16 and 18 would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claims. In accordance with the Examiner's indication, the present amendment is submitted to place the subject application in condition for allowance.

In light of the foregoing, allowance of the subject patent application is respectfully requested. Should any issues remain in the subject application, the Examiner is encouraged to contact the undersigned attorney.

Respectfully submitted,

Karen M. Gerken
